DATA-PROTECTION READY

*NOW WITH ADDED GROUND-BREAKING IDEAS.

TAKE ACTION FIGURES
THE FUTURE HUMANITARIANS

Incredible realistic detail and design make these action figures a must-have for any collector. They'll bring out the action hero in you!

THE GENERATION CHANGING THE WORLD

Was offered a role at Google but turned it down for the highly prestigious Henry Dunant scholarship for "gifted coders for humanity". Works in responding to crises helping manage AI components of the response.

THE CODING GENIUS
Lives between Silicon Valley, London, Bengaluru, Shanghai and Tokyo

SUPERPOWERS
- **+10** collaborating with those affected
- **+9** developing practical and sustainable tech solutions
- **+8** ethical experimentation and learning from mistakes
- **+8** innovation and courage

CHALLENGES
- **-7** being micro-managed
- **-7** allergic response to bureaucracy
- **-6** expects career opportunities and work/life balance
- **-4** chance of coming to the office

HAS A DISABILITY BUT IS NOT EMPLOYED FOR ANY ROLE RELATED TO DISABILITIES!

* (As seen in National Societies around the world)
