

**MASTERS OF
THE BUREAUCRATS**

*** NOW WITH
MOVEABLE
GOALPOSTS!**

**INACTION
FIGURES**
THEY'RE NOT HERE TO SAVE THE DAY

**Incredible realistic
detail and design
make these inaction
figures a must-have
for any collector. See
if you can summon
them all to your
unnecessary meeting!**

PUTTING THE 'NO' IN INNOVATION

They stand between you and your goals and they're here to crush your dreams! These awesome bureaucrats and self-styled gurus can stifle anything you throw at them. Want to launch a new idea? There's a form for that! Need to test something in a hurry? The committee meets in six months!

THE DEMANDING BUREAUCREATE

Now even less effective

SUPERPOWERS

- Gets a lot in return for small amounts of money
- +10** power staging unnecessary meetings
- +7** conceiving laborious reporting requirements

WEAKNESSES

- Listening
- 7** Attachment to reality
- +6** inflated sense of value includes
- +4** chance to possess hero/saviour complex
- Inflexible

*** (As seen in working groups
around the world)**
