THE GENERATION CHANGING THE WORLD

A real-world leader with a virtual twin in cyberspace! This dynamic duo manages a dispersed team of digital experts providing humanitarian protection and operations online. This entirely-virtual National Society jumps into the digital divide and tackles technology risks at source code.

SECRETARY GENERAL, VIRTUAL NATIONAL SO- CIETY 3.0 – BIG TECH

**Lives between Silicon Valley, London,
Bengaluru, Shanghai and Tokyo**

FOCUSES ON

- Protecting populations from cyber-crime and deep fakes
- Virtual humanitarian services in asymmetrical warfare
- Ethical AI algorithms and identifying bad AI actors
- Digital equity for vulnerable populations
- Partnerships and financing
