Image is everything when you have a point to make (again, and again and again) in our polarised world. Whether your battle ground is social media, deepfakes or the streets, you need to look your best – and stay safe.

Maybesafe makeup comes in dazzling colours and flawless finishes designed by catwalk stars. But it also dries to an ultra-covert bulletproof ballistic shield, for when your online arguments turn into civil unrest! It's a beautiful way to repel small arms fire, bricks and edged blades. Protection and perfection.

Live your truth and ignore the rest.
